

# WanderWheels Ride the Wind. Rugged by Nature.

Premium monocoque all-aluminum slide-in truck campers — engineered for the world's most demanding adventurers and built for global distribution.

BRAND VISION

# Built for Those Who Refuse to Settle

WanderWheels redefines overland travel with fully integrated slide-in campers that blend aerospace-grade engineering with genuine livability. Our mission: deliver the world's most reliable, lightweight, and adventure-ready truck camper platform — from factory floor to the farthest frontier.

## Lightweight

Aviation-grade aluminum keeps payload in check

## All-Season

4-season insulation for any climate on Earth

## Modular

Configurable interiors tailored to your market

# Monocoque All-Aluminum Architecture

## 5-Series Aviation Aluminum

Every WanderWheels camper is constructed using 5-series aviation aluminum — the same alloy trusted in aircraft fuselages. Our monocoque welding process creates a single, seamless shell: no rivets, no seams, no weak points.

### High Strength-to-Weight Ratio

Maximum structural integrity at minimum mass

### Superior Anti-Corrosion

Engineered for salt, humidity, and extreme temperature swings

### Zero Maintenance Frame

No rust, no rot, no degradation over decades

# Rugged Aerodynamics, Built to Move

Every exterior detail is purposeful — from the pop-up roof mechanism to the integrated storage bays. WanderWheels campers are designed to cut through wind, weather, and terrain without compromise.

# Your Home, Wherever the Road Ends

Live Comfortably. Anywhere.

The WanderWheels interior is a masterclass in space efficiency. Every surface serves a purpose, every feature earns its place.

## → Modular Kitchen

Induction cooktop, 12V fridge, and stainless sink — all stowable for travel

## → 4-Season Climate Control

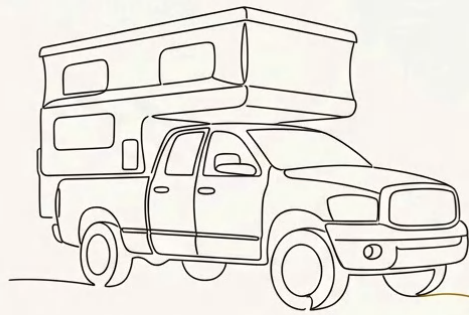

High-R-value insulation, diesel heater, and ventilation for  $-30^{\circ}\text{C}$  to  $+45^{\circ}\text{C}$

## → Smart Management System

Centralized touchscreen monitors battery, water, power, and climate in real time

# Engineered for Every Class of Pickup

WanderWheels offers two model lines, precision-matched to the most popular pickup platforms worldwide. Each camper is engineered to the exact bed dimensions and payload ratings of its target vehicle class.
