

ORDERING GUIDE

Step by Step to Your Dream Rig

1. Why WanderWheels?

Aviation-Grade Aluminum: 5-series monocoque welding. Zero wood, zero rot, 100% durability.

- **Patented Ratchet System:** Forget loose straps. Our patented internal ratchet provides 1.5 tons of tension per point—zero movement, zero drilling.
- **Ultra-Lightweight:** 450kg - 750kg. Engineered to keep your truck agile.

Premium All-Aluminum Monocoque Campers | Made in Rongcheng, China.
